

# CENTRAL BAPTIST SCHOOL

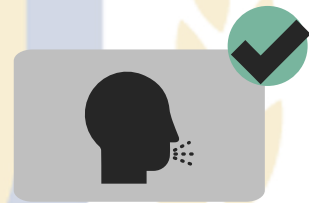

Back to school action plan:

## Parent/Guardian Responsibilities

Check your child's temperature daily before going to school.

Monitor for symptoms of COVID-19

Communicate with the school if your child has been diagnosed with COVID-19

# School Procedures

Face coverings will be required in common areas. (lobby, hallways, etc.)

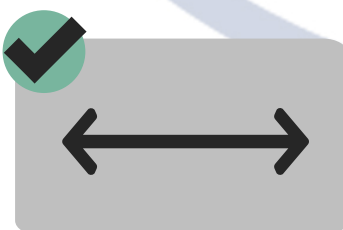

Remi Halo UV air filtration systems have been installed throughout every HVAC unit on the property.

Daily cleaning and sanitization of buildings. Buildings will also be fogged twice a week with medical-grade disinfectant.

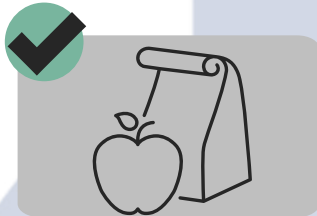

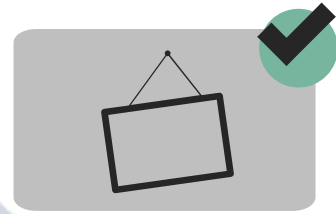

No water fountain use. Students may bring their personal water containers every day.

More frequent hand washing and sanitizing.

Classroom desks will be spread out as much as possible.

Signage promoting COVID-19 safety throughout the school.

Lunches will be socially distanced using the lunchroom, gymnasium, and outdoor spaces.

Limiting visitors on campus. Face coverings required for visitors in the buildings.
